From comedy shows and live concerts, to sporting events and award shows, Park Theater is specially designed with the ability to transform seamlessly for any occasion.

Park Theater is the first step in the recently announced reimagination of Monte Carlo. The transformation, taking place over the next two years, will include two distinct hotel experiences – a Las Vegas version of the Sydell Group's famed NoMad Hotel and the launch of a new luxury hotel named Park MGM. Each hotel will feature fully redesigned hotel guest rooms and innovative food & beverage offerings, highlighted by Eataly, a vibrant Italian marketplace with cafes, to-go counters and full-service restaurants interspersed with high-quality products from sustainable Italian and local producers.

MGM National Harbor, the \$1.4 billion resort opening December 8 on the shore of the Potomac River in Maryland, will offer luxurious accommodations, an unrivaled culinary program and an unrivaled entertainment lineup in The Theater, which can accommodate 3,000 guests for reserved-seating events and more than 4,000 for general admission shows.
